## SOURCE

1. Because of Chinnampo's importance as a harbor, the Home Affairs Department of the North Korean People's Republic has established in Chinnampo a detached Political Security Section, the activities of which will include counterespionage and political ideology (sic).

- 2. As nearly as can be determined, the Section is comprised of seven agents and probably includes a number of informants.
- 3. According to source, Chinnampo is the only place known to have such a Section.
